Wessex MECC Trainers

The below published table is a list of individuals who have completed the Making Every Contact Count Healthy Conversations Skills (MECC HCS) train the trainer programme in Wessex. MECC Trainers have been trained to deliver the MECC Healthy Conversation Skills course which consists of two half day sessions comprising Session 1 and Session 2.

*****PLEASE NOTE***:** In order to become fully accredited Trainers they will need to deliver two MECC courses to their target workforces and complete all relevant paperwork within 12 months. Once this has been completed Trainers will be issued with Making Every Contact Count (MECC) RSPH Accredited Trainer certificates on receipt and approval of all documentation.

All MECC Trainers have signed up to deliver MECC to their target workforces. All Trainers have had sign off from their employers that once trained they will be supported to undertake the role as a MECC Trainer back in their place of work.
