

## Making Every Contact Count?

Making Every Contact Count (MECC) is about supporting people to make the most of every opportunity they have with the millions of people they come into contact with every day.

.....  
is embedding Making Every Contact Count, implementing the Wessex approach to ensure people are able to make a difference to the health and wellbeing of the population by encouraging and supporting people to change behaviours that may be damaging to their health.

During the programme you will develop the understanding and confidence to be able to make the most of the time you have to empower people to improve their lifestyles.

If you have completed your Making Every Contact Count knowledge eLearning you can now register for Healthy Conversation Skills (HCS) training.

Taking place over two sessions, each lasting 3 hours, both HCS sessions need to be attended to complete the RSPH accredited training course.
